

## postdoc and PhD positions

Wed, 2011-02-09 17:04 - [Michael M. Wolf](#) [1] **At:** TU Munich, Germany

**Deadline:** 1 May, 2011

### Location

TU Munich Munich Germany  
48° 8' 20.8572" N, 11° 34' 48.6696" E  
See map: [Google Maps](#) [2]

There are postdoc and PhD positions available in Mathematical Physics/Quantum Information Theory in the new group of Prof. M.M.Wolf in the Department of Mathematics at the Technical University in Munich (Germany).

Applicants should be interested in mathematical physics, applied mathematics and quantum information theory and be willing to contribute to undergraduate math education.

Positions are available from 01-03-11 on and candidates will be considered until all positions are filled. Apart from a CV (incl. grades, description of research interests and a list of publications) applications should include names of senior scientists who could write letters of recommendation.

Please send applications to M.M.Wolf via email: [tum \[dot\] qit \[at\] gmail \[dot\] com](mailto:tum[dot]qit[at]gmail[dot]com)
