

ID Quantique SA

Wed, 2010-02-24 14:01 - [Lukas Theussl](#) [1] **Website:**
<http://www.idquantique.com/> [2]

id Quantique's focus is to provide innovative and cost-effective solutions by leveraging the tremendous capabilities offered by Quantum Photonics. The company designs and manufactures hardware products serving two main markets: network security and optical instrumentation. id Quantique has a global leadership in shaping the evolution of network security. A recognized worldwide leader in the commercialization of Quantum Cryptography products, the company was first to bring this new technology to the market in 2001.

Location

Chemin de la Marbrerie, 3
Carouge / Geneva Switzerland
