

## Quantum foundations and quantum information theory

Thu, 2013-02-07 16:18 - [Mattia Giardini](#) [1] **Website:**  
[www.quantumfoundations.org](http://www.quantumfoundations.org) [2]

**Research Type:** Experiment

The main research focus of our group are foundations of quantum physics and its implications for the quantum information processing. Our goal is to gain insight into these topics by exploiting operational approaches.

**Leader:** Prof. Caslav Brukner

### Location

Universität Wien Boltzmannngasse 5  
Wien 1090 Austria  
48° 13' 17.8608" N, 16° 21' 22.6152" E
