

Work Package Overview

Tue, 2009-11-10 16:36 - [Lukas Theussl](#)

The work to accomplish the QUIE²T objectives, and specifically to develop a common European strategy for research in QIPC and implement it, will be organized in a set of five Work-Packages aimed at different yet correlated tasks:

- [WP1](#): Community monitoring and overview
- [WP2](#): Strategy, vision and sustainability
- [WP3](#): Dissemination activities
- [WP4](#): Synergy for QIPC science
- [WP5](#): Financial, contractual and project management
