

National Physics Laboratory

Tue, 2015-01-06 13:23 - [Rob Thew](#) [1] **Website:**
<http://www.npl.co.uk/> [2]

NPL maintains a wide portfolio of internationally visible research programmes that advances measurement science, underpins the SI system and supports various cross-disciplinary technologies. In particular Quantum Photonics and Detection as well as Time and Frequency standards.

Location

Hampton Road
Middlesex United Kingdom
See map: [Google Maps](#) [3]
