

Groupe d'Optique Quantique - Institut d'Optique

Mon, 2010-04-12 17:37 - [Lukas Theussl](#) [1] **Website:**
http://www.optique-quantique.u-psud.fr/Quantum_optics.html [2]

Research Type: Experiment

Quantum optics, single atom trapping, quantum information processing, quantum entanglement of trapped particles, single photon source, quantum cryptography, continuous variables, quantum nondemolition measurements, quantum noise

Leader: Philippe Grangier

Location

Laboratoire charles Fabry de l'Institut d'Optique Bat. 503 - Centre Scientifique
Orsay Cedex 91403 France
