Research Type: Experiment

- ultra cold degenerated gases
- atom interferometry
- micro atom optics
- quantum information with ultra cold atoms in micro optical potentials

Leader: Prof. Dr. Wolfgang Ertmer

Location

Universität Hannover Welfengarten 1
Hannover 30167 Germany
52° 22' 55.7292" N, 9° 43' 3.7416" E
