

Workshop on “Numerical and analytical methods for strongly correlated systems”

Thu, 2015-05-28 17:06 - [Gemma De las Cuevas](#)

Thorsten Wahl (MPQ), Benasque (Spain), 24 August to 13 September 2014, "Symmetries and boundary theories for chiral Projected Entangled Pair States"

- [Presentation](#)
- [SIQS](#)
- [Work Package 4](#)
