

PhD & Postdoc positions in Quantum Technology

Wed, 2018-12-05 09:48 - [Benyoucef](#) [1] **At:** University of Kassel, Germany

Deadline: 31 December, 2018

Location

Institute of Nanostructure Technologies and Analytics Kassel Germany

See map: [Google Maps](#) [2]

Dear members of 'The QUROPE mailing list',

Dear Colleagues,

The Institute of Nanostructure Technologies and Analytics (INA) is inviting applications for open PhD and postdoc positions to join their Nano Optics Group led by Priv.-Doz. Dr. M. Benyoucef as part of a new BMBF project on quantum communication and interdisciplinary project on Scalable Molecular Quantum Bits.

- 3 PhD students (deadline Dec. 12, 2018)

- One Research Assistant/Postdoc position (deadline Dec. 31, 2018)

Presentations and interviews for PhD positions will be on 19 December and for the Postdoc position on 18 January.

The applications should be sent to [bewerbungen \[at\] uni-kassel \[dot\] de](mailto:bewerbungen@uni-kassel.de)
