Postdoctoral position in quantum optics at Oxford

Tue, 2022-03-01 19:21 - [Alexander Lvovsky](#) [1] **At:** University of Oxford

Deadline: 15 March, 2022

Location

Department of Physics Clarendon Laboratory
Oxford OX3 0AS United Kingdom
Phone: +441865272275
See map: [Google Maps](#) [2]

Looking for an excellent experimentalist postdoc to work with Alex Lvovsky on a revolutionary method of quantum-enhanced superresolution imaging.
